RE: July 17, 2024 ESPA GWMA Advisory Committee Meeting

Dear Committee Members:

It has been a couple of months since we met as a full committee. The breakout sessions we conducted since our last meeting were very productive. I would like to meet again as a full committee to discuss the work of the committee moving forward. The next advisory committee meeting has been scheduled as follows:

**ESPA GWMA Advisory Committee Meeting**  
**Wednesday, July 17, 2024, 1:00 pm**  
**City of Pocatello – City Council Chambers**  
**911 N 7<sup>th</sup> Ave, Pocatello**

Jennifer Sukow, a Technical Engineer for the Department, has modeled the effects of some of the proposals contained in the management plan frameworks and the pumping allocation described in the draft plan. She will present that information to the committee and will be prepared to answer questions about the modeling results. After Jennifer's presentation, I would like to discuss the next steps for the advisory committee and how the management plan process should interface with negotiations related to the Surface Water Coalition delivery call.

I look forward to our next meeting. I will email a proposed agenda prior to the meeting. If you have questions or concerns, feel free to contact me at (208) 525-7161 or by email at [james.cefalo@idwr.idaho.gov](mailto:james.cefalo@idwr.idaho.gov).

Sincerely,

James Cefalo  
Eastern Regional Manager
