The Community Forum is a way for members of the Idaho State Board of Education to hear from students and faculty at all eight of Idaho's institutions of higher education. The full Board hears from students and faculty at Idaho's Universities during regular Board meetings held every February (BSU), April (UI), June (ISU) and October (LCSC).

Four Board members of the Idaho State Board of Education will hear from students at Idaho's four Community Colleges at a Community Forum; Fall 2022 (CSI), Spring 2023 (NIC), Fall 2023 (CEI) and Spring 2024 (CWI).
