DIVISION BUSINESS

Financial Report: Executive Officer (EO) Justin Touchstone presented the “Revenues, Expenditures and Cash Balance Report as of January 24, 2024”. The cash balance is currently at 135% of operational expenses. The board requested a breakdown of the Architect and Landscape Architect licensees and their fees. EO Touchstone will provide that information along with options for changes in fees for the board to review at the next meeting on June 27, 2024.

House Bill 466: Legal Counsel Lea Kear presented [House Bill \(HB\) 466](#), which is a change within the Idaho Architecture Practice Act. HB 466 amends section 54-303 to clarify that the “practice of architecture” also includes “submitting a response” to a Request for Proposal (RFP) or a Request for Qualification (RFQ). It also amends 54-305 to make clear that a firm that “offers to practice” must have an Idaho licensed architect who will supervise the architectural services.

Grading and Drainage: Landscape Architects are authorized by statute to practice landscape architecture which includes the grading and drainage of the sites in which they work. In the past, grading and drainage reference letters regarding a licensed landscape architect’s competence and authority under Idaho law were on the Landscape Architects website under a Questions & Answers page. Board Member Breckon asked that these letters be placed on the Board of Architects and Landscape Architects (ALA) Frequently Asked Questions (FAQ) page on the DOPL website. EO Touchstone confirmed that the letters will be posted to the DOPL website.
