PROFILE

I've lived in Idaho my whole life. I was raised on a farm in Moore, Idaho and enjoyed the life of rodeos, horse shows, and the simple life. I now live in Iona, Idaho with my husband of 20 years and our 6 kids. Being a mom is truly amazing and a blessing. After years of being a stay-at-home mom, I decided it was time I put my heart out in the world. I love working with youth and watching them find their light and gain confidence in themselves.

EXPERIENCE

SPaRC

2021-2022

SPaRC is a safety prevention, and resource center. I help youth and their families with resources out in the community that they need. I also set goals with the youth with what they are struggling in and work out a plan to help build up their weaknesses. I bring in the families and engage with them how to communicate with each other. Communication is key with going forward with a healthy relationship.
