Action Item: Council recruiting/guest involvement	More representation is needed from youth. There may be youth, connected to The Village assessment center, that might start attending meetings. The council expressed a desire to have a flyer or educational materials to use for recruiting. Shannon mentioned that the Juvenile Justice Commission may have some materials available that the council could use. This will be revisited at the next meeting.	All Members
Discussion: 3 Year Plan Work	The council discussed three training efforts that will be pursued in the upcoming months. They are as follows: 1) DSO Training for Region 6 – Stace said that he would continue to coordinate with relevant parties to find a time that will be feasible. It will be critical that all judges are available for the training. Due to that requirement, the training could be scheduled up to 6+ months out. 2) TBRI Training for Region 6 – Shannon will reach out to Racheal and begin discussing the idea/resources needed to host a training for Region 6. 3) Educational Crisis Conversations – Stace discussed that he would be able to talk with Matt Hardin from Magellan to see if a short and virtual training could be provided to community members and professionals throughout Region 6.	All Members
Discussion: JJC Region 6 Annual Meeting Calendar	Adjustments may be needed for the November and December council meetings. Shannon will send out an email poll to get feedback on what dates will be best.	All Members
