DISCUSSION ITEMS

1. IDJC Director update

IDJC actively participates in the Idaho Behavioral Health Council, which comprises three subgroups: Diversion, Continuum of Care, and Youth in Detention. Furthermore, the Idaho Police Officer Standards and Training (POST) is making strides toward merging the juvenile detention and corrections officers' academies. Juvenile corrections officers will undergo training in ARCON for defensive tactics. There was also discussion about the increase in commitment numbers.

2. Financial Update

- Amy Anderson talked about the FY22, FY23, and FY24 budgets. A spreadsheet containing the budget breakdown will be emailed to members.

3. IJJC Updates (Grants, Onboarding)

- Jolene Brooks discussed the Community, Operations, and Program Services grant scoring guide and the orientation packet for new Idaho Juvenile Justice Commission members. Once completed, the orientation packet will be emailed to members.

4. Council Updates/Go Around

a. Tribal Council, Judge Cynthia Jordan, Chair

- The Council is progressing with its Public Service Announcement contest. They approved funding for 18 youth to attend the Unity Conference. Participation has been low, and they are exploring ways to boost membership.

b. Youth Committee, Hannah Burrell, Chair

- Greg Ullman from IDJC's Placement and Transition Services presented the challenges youth face upon release from commitment. Upon release, youth receive a folder containing helpful information. The committee would like to include a Youth Committee flyer in the discharge folder. They have until the end of June 2025 to spend \$19,000.00. They worked on a storyboard for the Youth Committee video.

c. District 1, Ron Stultz, Chair

- District 1 has faced challenges in achieving a quorum. They have two new members and will be recruiting.

d. District 2, Amy Guier, Chair

- District 2 has faced challenges with members leaving and maintaining a quorum. They transitioned to in-person meetings and allocated funds to the Latah County Sheriff's Department for drug awareness training.

e. District 3, Dahlia Stender, Chair

- Joe Landon, on behalf of Dahlia Stender, provided an update. As part of their three-year plan, they had training in restorative justice. They completed two training sessions and are looking into a mentorship program for the district.

f. District 4, DeeDee Phillips, Chair

- District 4 has invited 25 people to the meeting but has been getting around 15 to participate. They meet every other month and are trying to get Child Protection to attend the meetings.

g. District 5, Korey Solomon, Chair

- They created Family Group Decision Making coordinator training. The three-day training has 38 people registered.

h. District 6, Shannon Fox, Chair

- District 6 is reinventing itself due to members leaving and low attendance. They are scheduling meetings for the year and holding them at different locations to boost attendance. District 6 is also funding two members to attend the prevention conference.

i. District 7, Darin Burrell, Chair

- District 7 is promoting the Handle with Care program and collaborating with District 6 to implement the program there. They have two new youth members. Once the expansion of one of the buildings is complete, they plan to meet at the Juvenile Correctional Facility at St. Anthony's. They are considering bringing the probation simulator training from Bingham County to the district.

5. Compliance Update
