ICDD Public Meeting - 5 Year Plan

June 1, 2026 at 4:00 PM MT

700 W. State Street

Suite 119

Boise, ID 83702

More Meeting Information: https://icdd.idaho.gov/

Virtual Link: https://us02web.zoom.us/meeting/register/MuEH9R59Rouv4gShePWsPg

Description:

The Developmental Disabilities Assistance and Bill of Rights Act of 2000 requires Councils to specify 5-year goals for advocacy, capacity building, and systemic change. These goals must be developed through data collected from public input and strategic planning. Councils are required to work on self-advocacy and leadership development of individuals with intellectual and developmental disabilities during each year of the plan. Join this meeting to provide comments on the plan.
