Description:

The Idaho Broadband Advisory Board (IBAB) will meet on Thursday, October 1, 2026, from 10 a.m. – 11 a.m. MT (or upon adjournment).

At the meeting, the Idaho Office of Broadband will provide a state broadband update and discuss the BEAD Post-Award Change bidding round.

IBAB was created by the Idaho Legislature in 2021, via the passage of HB127. The Board consists of three members from the Idaho House of Representatives, the Idaho Senate and the private sector, appointed by the Governor. The Board established the Idaho Broadband Strategic Plan, which supports the Board's vision that Idahoans have access to affordable, fast and reliable broadband infrastructure.

Interested parties and members of the public can watch the meeting remotely.
