

Agenda

The Idaho Transportation Department and the City of McCall invite the public to review and provide feedback on the Preferred Preliminary Design for improvements to State Highway 55 (Lake Street and 3rd Street) and Deinhard Lane to Boydstun Street. Since the last public meeting in late summer 2025, the project team has refined the design using technical analysis and community feedback and developed a Preferred Preliminary Design.

The meeting is an open house format and community members are welcome to speak with the project team and learn about the project at their own pace.
