RE: November 15, 2023 ESPA GWMA Advisory Committee Meeting

Dear Committee Members:

Thank you for participating in our latest meeting for the ESPA GWMA Advisory Committee. I felt like we made good progress on defining specific goals for the management plan and outlining your work as a committee. At the end of the meeting, I agreed to draft a summary of the goals presented by the committee members. Attached to this letter is a copy of the draft goals. Please review the draft goals and notify me of any additions, revisions, or corrections. We will spend some time reviewing the goals and any proposed revisions at our next meeting. The next advisory committee meeting has been scheduled as follows:

**ESPA GWMA Advisory Committee Meeting**  
**Wednesday, November 15, 2023, 1:00 pm**  
**City of Pocatello – City Council Chambers**  
**911 N 7<sup>th</sup> Ave, Pocatello**

For this next meeting, the committee has invited Jennifer Sukow, Technical Engineer 2 for IDWR, to present information about the overall water budget for the ESPA. The committee has also asked Jaxon Higgs to provide a summary of how the pumping reductions under the IGWA-SWC Agreement were allocated among ground water districts and individual water users. The committee also asked Candice McHugh to provide a summary of how the mitigation obligations under the Cities' mitigation plan are divided between the cities.

If you have not done so already, please email me the contact information (name, phone number, email) of the person who will serve as an alternate for you on the committee. I look forward to our next meeting. If you have questions or concerns, feel free to contact me at (208) 525-7161 or by email at [james.cefalo@idwr.idaho.gov](mailto:james.cefalo@idwr.idaho.gov).
