BOARD BUSINESS

Clarification: Experience Requirement for the Landscape Architect Registration Examination (LARE) Under the Alternative Path to Licensure as a Landscape Architect in Idaho. (Credit Guidelines for Non-Accredited Programs): Chairman Olberding stated the University of Idaho no longer has an accredited bachelor's degree for landscape architecture.

The Board reviewed an email and transcripts from an individual asking for a determination on how his/her education counts toward the experience requirement for the Landscape Architect Registration Exam (LARE) under the alternative path to licensure as a landscape architect in Idaho.

For assistance in deciding the amount of credit for each degree, the Board reviewed [IDAPA 24.07.01](#), Rules of the Idaho State Board of Landscape Architects, and the Council of Landscape Architectural Registration Boards (CLARB) policy guidance document titled, "[CLARB Uniform Licensure Standard for Landscape Architecture 2022](#)".

A motion was made and seconded to respond to the inquiry from an individual with a non-accredited program, that two years would count toward the required eight years of experience to become eligible to sit for the LARE exam. Chairman Olberding recused himself as he works with the individual. The motion carried.

Application(s) Review: The Board reviewed application LARA-17014. A motion was made and seconded to approve application LARA-17014 for licensure. Chairman Olberding recused himself as he works with the applicant. The motion carried.

ADJOURNMENT

There being no further business, the meeting adjourned at 10:00 AM.
